

Instructions for Landowner/Tenant Registration

All landowners, tenants and their eligible family members must register with DNR before obtaining landowner/tenant deer or turkey hunting licenses. The ELSI license system will not issue these licenses until you are registered. You will be able to obtain all deer and turkey hunting licenses for which you are eligible with one registration.

1) Before registering, verify your eligibility for landowner/tenant licenses by reviewing the residency and license eligibility requirements listed below:

IOWA RESIDENCY

To register as a landowner or a tenant, you must be a resident of Iowa. If you do not meet at least one of the following criteria, you are not eligible to register for, or obtain, landowner/tenant licenses.

1. Have an Iowa driver's license or Iowa non-operator's identification card and have physically resided in Iowa at least 30 consecutive days immediately before applying for or purchasing a resident license.
2. Be registered to vote in Iowa. In order to do so, you must meet all of the qualifications to register to vote as outlined in Iowa Code chapter 48A.5.
3. Be a full-time student at an educational institution located in Iowa and reside in Iowa while attending the educational institution.
4. Be a nonresident under 18 years of age whose parent is a resident of Iowa.
5. Be a member of the armed forces of the United States serving on active duty, and: (a) is stationed in Iowa or (b) is stationed outside of Iowa, claims residency in Iowa, and has filed an Iowa income tax return for the preceding tax year.

If you qualify under "1" or "2" above, you may not register for, or obtain, landowner/tenant licenses if you have done any of the following:

- Have a currently valid resident hunting, fishing, trapping or other recreational license issued in another state or country
 - Have a currently valid driver's license issued in another state or country
 - Are legally registered to vote in another state or country
 - Claim a homestead or other state tax exemption in another state or country
 - Are receiving public assistance in another state or country
- This is not a complete list. Other privileges claimed as a resident of another state or country may also be disqualifying.

WHO IS ELIGIBLE FOR LANDOWNER/TENANT LICENSES?

Landowner/Tenant licenses are valid only on the farm unit of the owner or tenant. The qualifying landowner or tenant does not have to reside on the farm, but must qualify under the following definitions:

"Farm unit" means all parcels of land that are in tracts of 2 or more contiguous acres that are operated as a unit for agricultural purposes and are under the lawful control of the landowner or tenant. Parcels of land in a farm unit need not be contiguous, but all will be considered part of a single farm unit regardless of how those parcels are subdivided for agricultural or business purposes. An owner cannot receive a Landowner/Tenant License on one parcel and a family member receive a Landowner/Tenant License on another, even if the parcels are separate business operations.

"Family member" means a resident of Iowa who is the spouse or child of the owner or tenant and who resides with the owner or tenant. A "child" must be under 18 years old, or may be 18 or 19 if still in high school or enrolled in a high school equivalency degree (i.e. G.E.D.) program.

"Owner" means an owner of a farm unit who is a resident of Iowa and who is one of the following:

- A. Is the sole operator of the farm unit.
- B. Makes all farm operating decisions but contracts for custom farming or hires labor for all or part of the work on the farm unit.
- C. Participates annually in farm operation decisions or cropping practices on specific fields of the farm unit that are rented to a tenant.
- D. Raises specialty crops on the farm unit including, but not limited to, orchards, nurseries or trees that do not always produce annual income but require annual operating decisions about maintenance or improvement.
- E. Has all or part of the farm unit enrolled in a long-term agricultural land retirement program of the federal government.
- F. Rents the entire farm to an adult child who operates the farm.
- G. An owner DOES NOT mean a person who owns a farm unit and who employs a farm manager or third party to operate the farm unit, or a person who owns a farm unit and who rents the entire farm to a tenant who is responsible for all farm operations (unless the renter is the owner's child).

"Tenant" means a person who is a resident of Iowa and who rents and actively farms agricultural land owned by another person. A member of the owner's family may be a tenant if rent is paid to the owner. Rent includes cash rent and share crop arrangements. A person who works on a farm for a wage and is not a family member as defined above does not qualify as a tenant.

2) All individuals who claim eligibility for landowner/tenant licenses must register individually. Group or family registration is not permitted.

3) You may register by internet at www.iowadnr.gov. The internet provides the quickest form of registration, and you may obtain licenses as soon as internet registration is complete.

For County #:

Use the table on the left side of these instructions to obtain the 2-digit County Number for your qualifying tract of land.

For District #:

You must provide a District Number if your qualifying tract of land is located in one of the following counties: Audubon, Benton, Chickasaw, Crawford, Dallas, Davis, Des Moines, Dubuque, Hardin, Keokuk, Tama, Union, Wapello, or Woodbury. District Numbers are often listed on property tax statements. If you cannot locate your District Number or have questions regarding your District Number, please contact your County Recorder for assistance.

For Parcel Identification Number:

Each parcel of land in Iowa has an identification number that is used for property tax purposes. The number you record for "Parcel Identification Number" must be for a qualifying tract of land as described on page 1 of the instructions. Parcel Identification Numbers are often listed as "Parcel" or "Parcel ID" on property tax statements. If you cannot locate your Parcel Identification Number (PIN) or have questions regarding your PIN, please contact your County Recorder for assistance.

If you are registering as a landowner, spouse of a landowner, or child of a landowner:

Enter the PIN from only one parcel of qualifying land that is owned by the family. Each member of a landowner family must register on a separate form, but all must use the same PIN.

If you are registering as a tenant, spouse of a tenant, or child of a tenant:

You must request a District Number and PIN for one parcel of qualifying land rented from the landowner whose name, address, and telephone number is recorded on Question 7 in Section "B". Each member of a tenant family must register on a separate form, but all must use the same PIN.
